of Navigation

Institute of  
Systems Optimization

# Gyro Symposium Today

## Gyro Symposium Today

The international Symposium Gyro Technology is held at the University of Karlsruhe, Germany in cooperation with the Institute of Systems Optimization (ITE) and the German Institute of Navigation (DGON).

Recent progress and latest state of inertial technologies and their applications are presented by speakers from all over the world. The development of new systems, components and test procedures are covered as well as investigations on cost and marketing aspects.

As modern systems for navigation, positioning and pointing are increasingly making use of aiding data from additional non-inertial sensors, these topics will be covered by the conference with growing importance.

Due to the high standard of the presentations, the conference is internationally well renowned. Besides the paper presentations, especially the technical discussions in the coffee breaks and the social event are essential elements for networking and closer relationships between representatives from industry and research centers.

We are looking forward to seeing you at the Symposium Gyro Technology 2009 in Karlsruhe.

Systems Optimization

# Conference Details

## Conference Details

**Scope:** The latest state of gyro technology including all kind of inertial sensors and integrated navigation systems will be presented.

**Conference language:** English

### **Deadlines:**

Abstract Deadline: April 27, 2009  
Author Notification: June 15, 2009  
Receipt of Final Paper: September 22, 2009

**Conference Fee:** 120 Euro

This includes a hardcopy of the conference proceedings being mailed to the participants after the symposium.

**Registration:** <http://www.ite.uni-karlsruhe.de/GYRO/>

### **Chairman:**

Prof. Dr.-Ing. Gert F. Trommer  
Institute of Systems Optimization (ITE)  
University of Karlsruhe

### **Programme Committee:**

Dr. W. Bernard	Diehl BGT Defence
Dr. W. Auch	Sagem Navigation
Dr. W. Geiger	LITEF
Dr. E. v. Hinüber	IMAR
Prof. Dr. B. Stieler	University of Stuttgart
